

Biochemistry & Cell Biology

40th Reunion

6:00–11:00 pm
BioScience Research Collaborative
6500 Main at University

Chemistry

Magic Show

2:00–4:00 pm
Brockman Hall Portico

Bucky Balls Lead to Matter!

2:00–4:00 pm
1st floor corridor Space Science Building

Exhibits: *Why We Matter* and *The History of the Chemistry Department*

Join us as we journey through the history of the Chemistry Department at Rice University. Read about the culture, innovative research, and the contributions made by our reputable scientists and Noble Laureates. Travel through time with this exclusive collection of historical photos and archives for a unique educational experience.

Celebrity Guest

2:30–3:30 pm
Photo opportunity and autographs by **Nobel Laureate Robert Curl**

Come see the GIANT Bucky Ball!

Earth Science

60th Anniversary Reception

5:00–7:30 pm
Keith Wiess Geological Laboratories

Includes a visit to the
DAVinCI Visualization Center

Mathematics

Soap Films—getting a handle on minimal surfaces

2:00–4:00 pm
Brockman Hall Portico

Physics & Astronomy

Discovery Dome Planetarium Show

2:00–4:00 pm
250 Brockman Hall

We Choose Space features the Kennedy speech at Rice Stadium and footage from the International Space Station
show starts every 15 minutes

Rice Observatory Tours

2:00–4:00 pm
4th Floor Brockman Hall

Physics Fun

2:00–4:00 pm
Brockman Hall Portico

Alumni Gathering

4:00–5:00 pm
101 Brockman Hall

Professional Science Master's Program

10th Anniversary Celebration

4:00–7:00 pm
Brockman Hall Portico

SCIENCE ACTIVITIES AROUND CAMPUS

Student Research Poster Session

1:00–4:00 pm
Grand Hall, Rice Memorial Center
Graduate and undergraduate work representing all fields of study

One Hundred Breakthroughs in Bioscience at Rice

10:00 am–12:00 pm
BioScience Research Collaborative (BRC)

Smalley Institute Open House

10:00 am–4:00 pm
301 Space Science Building

Scientia - Faculty mini-lectures: *The Power of Ideas*

4:00–5:00 pm
Brochstein Pavilion & Garden

The Mark III Photo Op Space Suit

2–4 pm

Brockman Hall Portico

Picture yourself in a real NASA space suit

Photos will be posted on the Natural Sciences Facebook page

natsci.rice.edu

Rice campus walking tours

depart every quarter hour

2–4 pm

from Brochstein Pavilion
